Covid 19 restrictions

We all know now that there has been considerable number of restrictions in place for weddings and ceremonies, around the number of people permitted to attend all over Australia. My Guarantee

happy - professional - organised - helpful

As per our package agreement, I will create a bespoke wedding ceremony that tells your love story. I will send you several forms, and we will do a wedding interview where we can get to know each other.

If rehearsal is included in your package, then we will agree on a suitable date and time for all parties to attend at the venue or agreed location. Not only does this help calm your nerves, but also gives us time to work out logistics. This is when you need to have your bridal team with you. Please let me know if you are using a wedding planner, as we work really well together.

On the day of the ceremony, I will be at the venue no earlier than one hour, and no later than 30 mins to the ceremony commencement time. If you have requested a signing table and chairs from me, this will also be included.

All packages come with my unlimited support, inc sounding board skills when things go a little pear shaped, unlimited email & phone calls and zooms. Co-ordinating a wedding can be stressful, and I promise that I will be there to help and support you both in your journey. I can assist with vow writing, poetry selection and crafting of how you want the day to unfold. I like to know what your colour schemes are too, so I can co-ordinate my outfit as well.

I will play your music selection through my brilliant portable battery operated P.A. system, if you wish. For this to occur, we need to sort that out well before the event. I use Spotify normally.

Inside my Mary Poppins bag, I carry spare wedding rings, just in case someone forgets or there is a hiccup. I also have panadol, shoe shine wipes, spare reading glasses, cough lollies, tissues (of course) and a small sewing kit. I like to be well prepared for your big day. I also come with a smile, and enjoy meeting your families and friends.

All my wedding packages include your registered marriage certificate that is sent directly from Births Deaths and Marriages, as it is easier for me to do so.
